

R_GlobalTest

```
graph LR; R_GlobalTest --> C_GlobalTest; C_GlobalTest --> get_ninputs; R_GlobalTest --> get_ninputs;
```

The diagram illustrates a flow from a black box labeled 'R_GlobalTest' to a red box labeled 'C_GlobalTest', and then from 'C_GlobalTest' to a white box labeled 'get_ninputs'. A direct arrow also points from 'R_GlobalTest' to 'get_ninputs'.

C_GlobalTest
