GISD (not PRIDE :-)

- Editor Found: David Sitman from EARN
- David will take chair of IETF GISD WG (Toronto)
- will progress from there
- please help once David asks!

Apologies from Daniele Bovio and ...

Please store your Maps!

PRIDE Progress

- improved Tools
- draft PRIDE Guide
- PRIDE Course announced (and fully booked)
- ripe-81-extended RR at MERIT!

- behind schedule because of CIDR

- much work went into ripe-81++

PRIDE Plan

- more courses
- Guide Release
- Adapt tools to ripe-81++
- More tools later (prconfig)
- extend project with 2 months (budget neutral)
- propose follow on (simulation, more tools)

Conclusions

The RIPE NCC core services need more staff in 1994!

CIDR delays PRIDE
