Subject: **Approval of requests for ENUM delegation of code 44**

Dear Sir,

This is to inform you that I have received approval from the concerned Member State for the delegation of code 44 for ENUM in accordance with the attached request.

This approval is based on the understanding that all administrative entities, including DNS administrators, will adhere to all the applicable tenets of all pertinent ITU Recommendations, e.g. E.164, E.164.1, E.190 and E.195, with regard to the inclusion of the E.164 resource information in the DNS.

Please also note that the concerned Member State may at any time revoke its approval and request that TSB file an objection to the delegation.

Yours faithfully,

Houlin Zhao  
Director, Telecommunication  
Standardization Bureau
