% Please add more information if you have specific  
% addressing needs.
```

**We are using about 72% of all allocation block. However,  
we have a new customer who is waiting to renumber (NCC#123456789).  
This will bring our usage up to 81%.**

You can use this space for additional information that you think will be helpful for us when we evaluate your request.
